WILL GIVE CHICKEN SUPPER.

Wesley Bible Class Prepare for Unique Entertainment.

At the regular meeting of the Men's Wesley Bible class of the M. E. Church yesterday, it was decided by unanimous vote to have a chicken supper on Thursday night, March 9. This will be in the nature of a get-together banquet, and in which it is hoped to create enthusiasm in the work of the class and try to enlist new members in the hope of reaching a membership of 100. This class is now doing very efficient work, has a teacher that could not be excelled in the person of Professor R. O. Allen, and the class is a unit upon all things, with a most zealous desire to bind each one closer together in the bonds of brotherhood. The place for the supper has not been yet determined. It is also expected to have a short program of talks and perhaps music by local talent, a more detailed report of which will appear later.

Edward Hall, the president, has left this part of the work in the hands of a committee, and it is expected they will announce a complete program in a few days. Plates will be laid for about 100 men, and fried chicken will be the main menu.

ROAD COMMITTEE ON TRIP.

Will inspect Roads About Houston and Beaumont.

The county good roads advisory committee, which is acting in conjunction with the county judge and commissioners court in the matter of preparing data, plans, etc., in the building of the good roads in this precinct, went to Houston and Beaumont Sunday to look over the roads in those counties and examine the material, cost and other necessary things in connection with this important work. They may also visit other points before they return. The members of the committee who went on the trip were John Vick, J. E. Covey and Marshall Danaby, all good men, who can be relied upon to do their very best for the people in helping to handle this proposition, which we hope is soon to be started.

YOUNG PEOPLE ORGANIZED.

A large number of young people met at the Christian Church Sunday evening and organized a Senior Christian Endeavor Society.

After a short talk by the new president, the meeting adjourned to meet next Sunday evening at 6:30.

The Austin degree team of this order will return to Bryan the last Sunday in March and institute a local lodge, Knights of Columbus. BRYAN BOY CHOSEN PRESIDENT.

Peter Marion Scardino Heads Freshman Class at University

Austin, Tex., Feb. 21.—Peter Marion Scardino of Bryan was unanimously elected president of the freshman class at the University of Texas Saturday. Scardino, encouraged by other students, began a laughable campaign several days ago, making speeches upon the campus and elsewhere. An upper classman, posing as a freshman opponent, debated with him on the campus. Feigning anger, the upper classman produced a long rubber knife. The freshman candidate ran for his life.

Scardino found that he had been duped, and in a statement confessed so much, but thanked his classmates for the office which they gave him in payment for the ludicrous experiences of the last few days.

Young Scardino is a son of Mr. and Mrs. M. Scardino of this city and is at home on a short visit. He was receiving the congratulations of his friends today on his election.
